

plusOne™

vibrating ring

instruction manual

product overview:

how to charge:

1. The charging port is a small pin hole located above the power button. Line up the charging pin with the port.

2. Insert the charging pin through the rubber into the port. The rubber will stretch open to accommodate the pin. It's a tight fit!

3. Firmly slide the charging pin all the way into the port.

special instructions:

Do not turn on while charging and/or cleaning. While charging the light will flash, the light will turn solid when fully charged. Use only with 5-volt USB wall adapter (standard mobile phone charger). Use water based lubricant only.

how to wear:

There are many uses and many ways to wear your new vibrating ring. Put on with care, stretching the ring first and slowly placing over an erect or semi-erect penis. If there is any discomfort please remove.

cleaning:

Be sure to clean thoroughly before & after each use. Clean using a mild soap and warm water.

storage:

Store in a cool dry place separately from other sex toys; sex toys of different material can damage each other if left in contact.

quality:

This product is manufactured using body-safe silicone that is harmless to the human body; free from phthalates, BPA and latex.

warnings:

Discontinue use if there is any discomfort for you or your partner. The ring should be comfortably snug. Do not wear longer than 30 minutes. This is for external use only.

ways to use:

Make the vibrating ring a true plusOne™ by placing it between you and your partner during missionary.

Position your vibrating ring facing up with her on top to help stimulate her clitoris or face it down to stimulate the anus.

Feel the sensual vibrations between you while taking her from behind.

The battery shall be disposed in accordance with the local laws and regulations. If possible please recycle it. Users shall not take out or replace the battery by themselves; doing so may amage the product.
